1 Logotype, minimum size and colours

The logo is the visible element that is represented the most out of all those that make up a brand image.

The following representation shows the minimum size that can be used in the original e·join logo. This is a guarantee of unity and high quality in all copies of the logo.

This logo is for screen applications (powerpoint) and have a 72 dpi resolution. They have a RGB colour profile and a PNG format (transparent base).

e·join's corporate colours are detailed in the following image.

LOGOTYPE
